

**CERTIFICATE OF COMPLIANCE
CONSUMER PRODUCTS SAFETY IMPROVEMENT ACT of 2008**

This verifies that the following FRACTILES products are compliant with the Consumer Products Safety Improvement Act of 2008 ("CPSIA") and have been third-party tested to meet or exceed these standards, as noted below.

FRACTILES MAGNETIC TILING TOYS
LARGE EDITION • TRAVEL EDITION • FRIDGE FRACTILES.

MANDATORY TOY SAFETY STANDARDS & THIRD PARTY TESTING:

All editions of FRACTILES products have been tested and meet or exceed all standards required within the CPSIA & ASTM 963-07.

Copies of all test documents are available to you and the general public for download at www.fractiles.com/productsafety.html.

PHTHALATE COMPLIANCE:

All FRACTILES products have been tested for Phthalates and do not contain any phthalate levels above 0.1%.

LEAD/HEAVY METALS COMPLIANCE:

All FRACTILES products have been tested for lead content and all other heavy metals, as required by the CPSIA. All products meet or exceed the CPSIA's strictest testing requirement level (less than 100 ppm, effective 8/14/2011).

MAGNETIC FLUX COMPLIANCE:

All FRACTILES products have been tested for magnetic flux as required by the CPSIA. All products meet or exceed the CPSIA's requirements.

SAFETY LABELING REQUIREMENT FOR CHILDREN'S PRODUCTS:

All FRACTILES products are labeled with the Small Parts Warning Label as an extra precaution. (Note that because FRACTILES is labeled for ages six and up, that a Small Parts Warning is not legally required by CPSIA and ASTM 963-07.)

This certificate shall serve as our Notification of Compliance with the CPSIA

and ASTM 963-07, including your responsibility to include the appropriate cautionary statements in your catalogs, web presentations or advertisements.
